**RE: Census Update – Considering the Impacts of COVID-19**

**Greetings,**

The completion of your 2020 Census Questionnaire can be done on-line by using your computer or smart phone. This has become the preferred method of completion since the health and safety of all tribal/community members is of the utmost importance in the midst of the COVID-19 outbreak.

Steps to completing the questionnaire on-line:

1. Go to [www.census.gov](http://www.census.gov)
2. Click on the Respond Today icon then,
3. Click on the green Respond button then,
4. Click on the blue Start Questionnaire button
5. Once you have completed the questionnaire, print/save your confirmation.

You do not need to have your 12-digit Census ID, rather click on the, If you do not have a Census ID. You will need to enter your complete physical address. The questionnaire will then ask ten questions and should take you an average of ten minutes to complete.

You also have the option of completing the questionnaire by phone. To begin, call 1-844-330-2020. Phone lines are open every day from 7:00 a.m. – 2:00 a.m. Eastern time.

A special thank you to those community members who have already completed their questionnaire.

Please contact Lisa Lopez at 852-6107 when you have completed the questionnaire as you will receive a gift for your participation.

NOTE: If you prefer, you may wait until help is available from the tribal offices to complete the questionnaire.
