Re: Updates COVID-19

A handwritten signature in black ink, appearing to be "R M J", is written over the "From" and "Re" lines of the letter.

Hope this update finds you and yours doing well, please stay home to degree possible. And thank you for your compliance thus far. We have no new cases to report.

- The positive at New Moon Lodge has been contained and all staff and client tests are negative.
- The Tribal member who resides in Albuquerque and tested positive, has recovered. No further positives have been identified.
- We tested 174 Tribal members on April 5, 2020. The test was conducted by state of New Mexico Dept. of Health. It focused on identified individuals who potentially had or will have contact with a positive. This includes Ohkay Health and Human Services and Public Safety Officers.

In response to inquiries as to who the positives are, we cannot disclose as HIPPA laws keep an individual's medical condition Confidential.

Please remain diligent and follow all recommendations

Thank You

Re: Tribal Member has tested positive COVID-19

I was informed yesterday that we have a Tribal member confirmed positive for COVID-19. This Tribal member lives in Albuquerque, however was here visiting in the past couple of weeks. The two cases we have here on our lands 1) New Moon and 2) this case, are the result of people coming here from other places. Please tell family and friends to stay at their place of residence until this passes. It's the reason for the Stay at Home Order.

I have received numerous calls about updates and not getting notice, due to the nature of this crisis I cannot distribute notices or announcements to the homes. I need you to check our web page "Ohkay.org" and pass the word.

Thank You

April 1, 2020

**Department of Health announces revised
testing criteria for COVID-19**

Guidelines relaxed to allow more New Mexicans to be tested.

SANTA FE –The New Mexico Department of Health (NMDOH) is providing today revised testing criteria announced by Department of Health Cabinet Secretary Kathy Kunkel during Governor Michelle Lujan Grisham’s news conference Tuesday afternoon.

Thanks to increased statewide testing capacity, the following people may now be considered for COVID-19 testing:

- Asymptomatic people who are close contacts or household members of New Mexico residents who have already tested positive for the coronavirus;
- Asymptomatic residents in nursing homes;
- Asymptomatic people in congregant settings such as homeless shelters, group homes, detention centers;
- Symptomatic people displaying the COVID-19 symptoms of cough, fever or shortness of breath.

Previous testing criteria consisted of those symptomatic or a recent out of state or country travel history.

“Studies are suggesting that asymptomatic people may be driving the spread of COVID-19, making it more difficult for containment,” said Secretary Kunkel. “If we can keep more asymptomatic COVID-19 positive patients at home and not out in public, the more effective we will be at flattening the curve.”

New Mexicans with health-related questions can call our coronavirus hotline at 855-600-3453. For non-health-related questions or concerns call **833-551-0518** or visit newmexico.gov, which is being updated and finalized as a one-stop source for information.

The state Department of Health updates its [dedicated COVID-19 webpage](#) with additional tests as the state lab provides results.

Tips from the Federal Trade Commission

How to Spot, Avoid and Report CORONAVIRUS SCAMS

Scammers are taking advantage of fears surrounding the Coronavirus. The Federal Trade Commission (ftc.gov/coronavirus) offers these tips to help you **fight back**.

Treatments & Cures

Ignore online offers for vaccinations and home test kits. If you see ads touting prevention, treatment, or cure claims for the Coronavirus, stop. If there's a medical breakthrough, you're not going to hear about it for the first time from an ad or sales pitch. At this time, there also are no FDA-authorized home test kits for the Coronavirus.

Email and Text Scams

Don't click on links from sources you don't know. It could download a virus onto your computer or device. Make sure the anti-malware and anti-virus software on your computer is up to date.

Robocalls

Hang up on illegal robocallers. Don't press any numbers. The recording might say that pressing a number will let you speak to a live operator or remove you from their call list, but it might lead to more robocalls, instead.

Government Relief Checks

Expect scammers to take advantage of this. Here's what you need to know: The government will not ask you to pay anything up front to get this money. The government will not call to ask for your Social Security number, bank account, or credit card number. Anyone who does is a scammer.

Fake Charities

Do your homework when it comes to donations. Use the organizations listed at ftc.gov/charity to help you research charities. If someone wants donations in cash, by gift card, or by wiring money, don't do it.

Misinformation & Rumors

Before you pass on any messages, do some fact checking by contacting trusted sources. Visit usa.gov/coronavirus for links to federal, state and local government agencies.

Stay informed:

1 Visit:

- ftc.gov/coronavirus
- coronavirus.gov
- usa.gov/coronavirus

2

Report suspicious claims or questionable practices to the FTC at ftc.gov/complaint.

3

Keep up with the latest scams. Sign up for the FTC's Consumer Alerts at ftc.gov/subscribe.

OHKAY OWINGEH
Stay At Home Order
March 23, 2020

Date: March 23, 2020

To: Ohkay Owingeh Tribal and Community Members

From: Tribal Administration

Re: *Stay at Home Order*

Please be advised that in conjunction with the State of New Mexico executive order to "Stay at home", Ohkay Owingeh is hereby issuing our own Stay at Home Order. Effective 10:00 PM today the 23rd of March 2020, Ohkay Owingeh is hereby issuing a Stay at Home Order. The only exceptions to this order are 1) essential Infrastructure workers, 2) travel for food and 3) medical attention. Ohkay Owingeh law enforcement will be enforcing this mandate. Please, Please adhere to this message.

Thank You

Please check our webpage for updates ohkay.org

Greetings from Tribal Administration,

In consideration of recent events I want to provide information about tribal programs during these times of crisis. Many of these information points are based on inquiries we have already received in the office. If your question is not answered please feel free to call.

1. Is the Drinking Water Safe? Yes the drinking water is safe. Our Ohkay Natural Resource Environment department, tests the water and will continue to monitor this on an on-going basis. Please rest assured the DRINKING WATER IS SAFE.
2. Ditch Work? **Ditch work for 2020 is CANCELLED.** Please help pass the word. Our rationale for the cancellation is twofold 1) There is a lot of water in ditch system and 2) COVID-19 and our efforts to not gather large groups of people.
3. Are Tribal Admin Offices Open? The Tribal government is open, however we are operating on an “Essential Personnel” only mode. Furthermore access to the Administration building will be limited. This means the doors will be locked and we are encouraging people to call ahead. Related to this we have also instituted the following;
 - a) Utility payments will cease and all shut offs are suspended indefinitely
 - b) General Assistance recipients will be asked to call ahead
 - c) Seniors, Wellness, BGC and teen Center are closed. Employees will work together to provide meals via home delivery to seniors. They will also be doing welfare checks
 - d) PD will be on duty, however courts will be closing except for emergencies. This suspends all PO, ticket payment etc.
 - e) All tribal departments will be allowing employees to work from home and or use vacation and sick leave if they so choose.
4. The Program directorates and Tribal Officials will be available to help in any way we can. Below is a listing of our contact information.
 - a. Ron Lovato - 505.660.6113
 - b. Albert Bowie - 505.927.7593
 - c. James Trujillo - 505.423.3223
 - d. Ken Maes - 505.901.7493
 - e. Donovan Trujillo, Public Safety – 505.927.5600
 - f. Ben Lujan, Public Works – 505.927.5622
 - g. Leonard Montoya, Health Human services - 505.927.3660
 - h. Larry Phillips, Natural Resources – 505.927.1398

There are a lot of false rumors out there, please do not panic. We will continue to update the community with factual information through our website www.ohkay.org. We are here to help, but you also need to take care of yourself, be cautious and follow all posted recommendations.

Ohkay Owingeh Tribal Administration

NM Department of Health regarding questions centered around testing. Below are common questions that I have been asked.

Question 1: When will an individual be given a COVID-19 test?

Answer: COVID-19 test will only be given to individuals who meet the criteria of having fever of 100.4 or above, shortness of breath, traveled outside of NM, and/or been in contact with someone who has tested positive for COVID-19. NMDOH did state that the main driver for the COVID-19 test is the fever of **100.4**, complemented with any of symptoms listed above.

NMDOH is recommending that individuals call the NMDOH hotline number of 1-855-600-3453 if they are experiencing symptoms and 1-833-551-0518 if individuals have general questions. It is important for individuals to call the symptom hotline before actually going into the hospital. OOHHS is recommending that community members call Josie Shije at 505-423-4373.

Question 2: If an individual from Rio Arriba County gets tested in Santa Fe and comes up positive, will the positive test result reflect Santa Fe County or Rio Arriba County?

Answer: The test result will reflect the residency of where that individual lives. In our example above, the test result will show up in Rio Arriba County.

Message from Ohkay Owingeh regarding COVID-19

Latest news

March 17: NMDOH has 23 more cases reported in New Mexico

A breakdown of positive cases by county:

- Bernalillo County: 14
- Sandoval County: 2
- Santa Fe County: 4
- Socorro County: 2
- Taos County: 1
- At this time, there are 0 confirmed cases in Ohkay Owingeh and in our County of Rio Arriba.

March 12: 2 more cases reported in New Mexico

- The New Mexico Department of Health has confirmed two more cases of COVID-19 in New Mexico.
- Of these five cases, one is in Santa Fe County and two are in Bernalillo County.
- At this time, there are 0 confirmed cases in Ohkay Owingeh and in our County of Rio Arriba.

March 11: First 3 cases reported in New Mexico

- The New Mexico Department of Health has confirmed three cases of COVID-19, the novel coronavirus, in New Mexico.
- At this time, there are 0 confirmed cases in Ohkay Owingeh and in our County of Rio Arriba.

Where to get questions answered about COVID-19

The Health & Human Services Division has designated Public Health Nurse Josie Shije to answer questions: (505) 852-2354. After regular business hours, you may contact Josie Shije (505) 423-4373 or Sharon Genera at (505) 927-9825.

What to do if you are around someone with symptoms or have symptoms yourself

The Centers for Disease Control and Prevention (CDC) recommends that anyone who has had close contact with someone confirmed to have, or is being evaluated for, COVID-19, should:

- Monitor health starting from the day of contact and continue monitoring for 14 days after.
- Watch for the following signs and symptoms: Fever, coughing, shortness of breath or difficulty breathing; chills, body aches, sore throat, and runny nose.

If you develop fever or any of the above symptoms, please call Ohkay Owingeh Public Health Nurse Josie Shije at 505-423-4373 and she can assist you with coordination with your healthcare provider.

How to prevent transmission

The best way to prevent infection is to avoid being exposed to the virus. The CDC recommends everyday preventive actions to help prevent spread of illness, including:

Avoid touching your eyes, nose and mouth with unwashed hands

- Stay 3 to 6 feet away from sick people as the virus is often spread by the spray of droplets
- Stay home when you have any flu-like symptoms (see list above)
- Cover coughs and sneezes with tissues and throw tissues in the trash
- Wash hands often with soap and water for at least 20 seconds (if soap and water are not available, use a hand sanitizer with at least 60% alcohol)
- Avoid handshaking or person to person contact if possible
- Please use hand sanitizer as frequent as possible

What the Ohkay Owingeh Tribal Government is doing

- All out of state travel have been canceled until further notice. In state travel is at the discretion of the Ohkay Owingeh Divisional Directors.
- Employees are encouraged to stay home if they are sick or experiencing flu like symptoms.
- We have vamped up sanitation efforts in the administration building as a precautionary health measure.
- It is recommending that any business within the tribal government office should be limited to essential business.
- All community events and gatherings have been postponed to further notice.

Ohkay Owingeh Coronavirus Advisory Team activated

Ohkay Owingeh Tribal Administration, Ohkay Owingeh Health & Human Division and Ohkay Owingeh Coronavirus Response Team has been established to provide leadership with comprehensive recommendations.

The Ohkay Owingeh Health & Human Services Division has a Coronavirus plan that provides a framework for how to respond to situations such as coronavirus.

Indian Health Service, Santa Fe Service Unit
COVID-19 Response and what you can expect when you come for a visit

The Santa Fe Service Unit and our clinics at San Felipe, Cochiti, and Santa Clara are now pre-screening ALL patients for symptoms of COVID-19 before they enter any of our clinics.

We are doing this to protect patients who are not sick, to protect our healthcare workers and to prevent the spread of COVID-19 in our communities.

If you have symptoms of COVID-19 or concerns related to COVID-19, please call our dedicated **COVID-19 Hotline at (505) 946-9200** from **8:00am-7:30pm, 7 days a week**. This is a new phone line that has been created for the purpose of assisting patients who have questions specific to COVID-19.

Please call the COVID-19 Hotline **BEFORE** you come to the clinic if you are having symptoms of fever, sore throat, chills, cough, or shortness of breath. If we can't answer immediately, PLEASE leave a voicemail. We will call you back.

If you are having a medical emergency, please call 911.

You can also call the New Mexico Department of Health (NMDOH) COVID-19 Hotline at 1-855-600-3453 and they can answer your questions and arrange for COVID-19 testing, if necessary.

This a rapidly changing situation, and we are working very hard to prevent the spread of COVID-19 in our communities.

PHARMACY REFILLS: If you require a pharmacy refill please follow the normal process and call 24 hours in advance (505) 946-9376. If you are having symptoms of flu-like illness, we will bring your refill to you at your vehicle.

We are committed to serving you and our communities, and to providing you with exceptional medical care and support.

Ohkay Owingeh CHR Program

P.O. Box 1531
Ohkay Owingeh, New Mexico 87566
Phone (505) 852-2354 • Fax (505) 852-3032

To: Leonard Montoya, Health & Human Services Director

FROM: Frances Abeyta, CHR Program Manager

SUBJECT: Transports

DATE: March 17, 2020

Please be advised that due to the COVID-19 Virus and for the health and safety of CHR's, we will not be transporting patients to their appointments until further notice.

We will however transport our Chronic Senior patients that do have to make their appointments. Their Health Care Providers will inform us with their appointment times.

We will be picking up medication and delivering.

If you have any questions and or concerns, please call our office phone at (505) 852-2354.

Thank you for your patience and understanding.
