Re: Census 2020 – W/COVID – 19

Greetings Ohkay Owingeh,

We have a problem, and we need your help. For the past 5 months, I have been telling you in these updates that we all need to stay home and limit outsiders from coming into our community. But the 2020 census is still happening and starting on August 11, 2020 census workers want to start knocking on the doors of those homes who have not yet completed their census survey. They will then help you fill out your census survey. I am therefore asking that in the spirit of our efforts involving COVID 19, let's all put forth our best effort to complete the census forms either online or mail it in. In this way, it will limit the need and time that outsiders will need to be going around to our homes. If you need help or have questions, please call Lisa Lopez at (505) 852-6107 and she can answer questions or assist you.

Thanks,

Tribal Administration
