RE: Interruptions /Lane Closure on Community School Road

Please be advised that TLC Construction will be installing water services to your homes on Community School Road beginning September 16, 2020 (TOMORROW). The project will be ongoing for the next three to four weeks.

When lane closures begin, residents will only be allowed access to the North direction on Community School Road, which will be one-way. You will have access to your homes throughout the project; and detour signs will direct you in the proper direction.

Please contact the Ohkay Owingeh Planning Dept. at 505-852-4400 with any questions or concerns that you have.

Thank you in advance for your patience and cooperation!
