

Ohkay Owingeh community members, here is an online option that OOEA is initiating to “Request for Burn Permit” form for those individuals who wish to obtain an approved Burn Permit. The form can be copied from the webpage for you to fill out. Please scan a digital copy and email back to Naomi Archuleta or Noah Kaniatobe. We will fill out the Burn Permit Application Form based on the information you provide and either email or call you to set up an appointment to come to the Tribal Offices to sign the permit. We will sign/approve, and provide you your copy at that time. The “Request for Burn Permit” is not the official burn permit all Burn Permits continue to require a signature from the requestor and OOEA Staff.

Thank you for your patience as we deal with COVID-19 Protocol designated for Tribal Staff and interactions community members outside the Tribal Administration Building.
