**Re: Ohkay Owingeh Tribal Youth After School Program
NOW OPEN IN-PERSON - NO DEADLINE**

Parents/Guardians:

The Ohkay Owingeh Tribal Youth Program is opening an After-School Program to allow our youth to participate in activities and prevention programming for the new year 2022 and we would like your child to participate. We are in the process of recruiting Tribal members of Ohkay Owingeh between age 6-16 years-old.

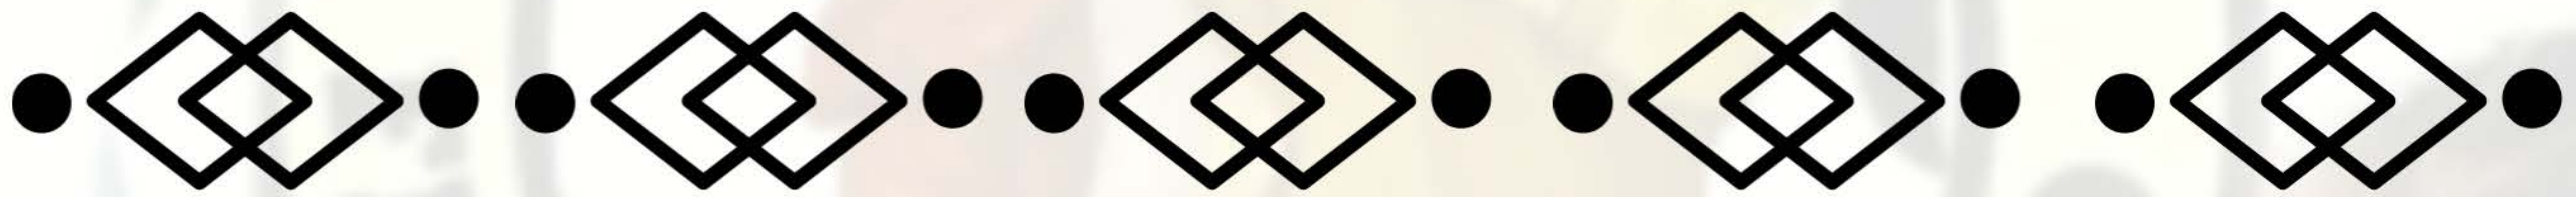

As you may know we are still in a pandemic, COVID-19, and its variants are still a worrisome issue. In an effort to introduce our youth back into the new norm we would like to provide this program "IN-PERSON" so that we could continue connecting with the youth as well as to begin to assimilate activities sponsored by Ohkay Owingeh. A detailed schedule will be provided to you and your child/children upon enrollment.

The program will begin January 25th, 2022; Tuesday through Thursday from: 3:30pm-6:00pm and will be limited to 30 youth. You may pick up applications at the blue gym or the new Social Services offices @ the corner of the intersection of State Road 74 and Po'Pay Avenue and may turn application into staff at these locations, as well.

Transportation will NOT be provided by the program. Please work with Espanola Public Schools transportation at (505) 367-3344. You may also contact the RTD at 1(866) 206-0754 and/or Po'Pay at (505) 852-4014, as possible transportation alternatives.

As we begin to open up activities, program staff will still be following safety precautions and regulations to ensure the safety and protection of our youth as well as reducing any risk factors associated with COVID-19. We will be adhering to social distancing guidelines and face masks will be REQUIRED at ALL times, during virtual sessions and in a large setting. We are encouraging youth 12 & up to get vaccinated. For children 12 and under, we are setting the protocol set by the Ohkay Owingeh Department of Education Decision. If you are interested in your child's participation, please read thoroughly, sign documents attached where indicated and return this package to staff. If you have any questions, you may contact Project Team Lead Raymond Povijua at 505-927-9566 or Project Lead Elicka Martinez at 505-927-7609.
