Subj: Survey/Covid-19 Emergency Assistance

Greetings Tribal Members,

The Tribal Administration sent out a survey to get an idea of what our Tribal Members would prefer in relation to your needs, i.e. home improvements or financial assistance. Surveys were received with about 80% expressing their needs to be monetary. This survey helped us determine that General Welfare Financial Assistance was needed. Therefore, at this time, the home improvement funds have been eliminated from the American Rescue Plan (ARPA) fund allocation.

We want to express that the deadline for the Covid-19 Emergency Assistance applications is Friday, January 28, 2022. This economic assistance is intended to help the families that have been impacted by this Covid- 19 Pandemic that have demonstrated hardship during this difficult time.

Please keep your families safe, wear your masks, social distance follow CDC guidelines.
