Attention Tribal Members

If you need a Service Line Agreement (SLA) for **new service** for electricity, gas or telephone - (or to bury a present line) please contact the Realty Office. The SLA must be requested by the **property owner**, If the owner wishes to have the service in another individual's name, that is fine.

If you have any questions or are unsure if you need a SLA – you can call the service provider i.e., Jemez Electric, New Mexico Gas Co., or Windstream, they'll let you know. At the time of contact with the service provider, if you do need a SLA - please request a diagram of the route of service, bring this diagram to our office and we can work on the SLA for you. Please allow 5 – 10 days for a completed SLA.
