

Irrigation Ditch Information

All ditches are now flowing and we respectfully request your assistance with the following:

- Please refrain from dumping trash and other objects into our ditches.
- Keep children safe and do not allow them to swim in the ditches.
- Please do not block the water by placing boards into the ditch, the stress on the ditch bank can cause it to break.
- Please call the police if you see anyone dumping objects into our ditches.

Ditch emergencies please contact:
