From: Ohkay Owingeh Senior Center

Re: Temporarily closing our services

In Consideration of the recent Coronavirus (COVID-19) concerns, the Ohkay Owingeh Senior Center will be closed until further notice. The Senior Center is dedicated to continuing to provide services so that people are safe.

We understand that closure may be a hardship for our seniors and community, but we think this step is best in order to support the health and safety of persons served, as well as our many staff, and the community.

The Senior Center remains dedicated to protecting and balancing the mental, physical and safety needs of everyone we support.

If you have additional questions, please contact on e-mail at [eric.sabaquie@ohkay.org](mailto:eric.sabaquie@ohkay.org). I am also available to answer questions during this time at (505) 927-4696.

Thank you for your support and patience during this time. I am confident we will get through this difficult time and emerge strong after, however we are able to provide trash pick up during this time.
