

We are running out of names for our lists of our Native folks and their non-native “household” members, to add to the list for upcoming clinics. But we have plenty of non-native folks calling up to get in. We need to make sure our native community members are vaccinated. Here are the upcoming scheduled clinics that need to get out:

- **MARCH 17, 2021 – MODERNA PRIME (1ST SHOT) @ SANTA FE IHS 11:30-12:30**
- **MARCH 20, 2021 – PFIZER PRIME (1ST SHOT) @ SANTA FE IHS 10:00-11:00 FOR 16 AND 17 YEAR OLDS ONLY WHO HAVE AN INDIAN HEALTH SERVICE CHART NUMBER**
- **MARCH 25, 2021 – PFIZER PRIIME (1ST SHOT) @ SANTA FE IHS**

We can add non-Native household members as well as long as their in an Ohkay Owingeh member household. And also we can add Ohkay Owingeh members who live in Espanola, Albuquerque, etc.
